AERO ODOR ELIMINATOR

Odor Neutralising Spray

DESCRIPTION

Aero Odor Eliminator is a ready to use aircraft approved spray which neutralises and eliminates unpleasant smells. It kills odours caused by bacteria, mould, or other organic causes, as well as odours from other chemicals. Aero Odor Eliminator comes in various formats for convenient inflight spot use, so as for use on larger surface areas in holds and during maintenance.

FEATURES & BENEFITS

- Water-based and non-flammable
- Colourless, will not stain
- Crimped pump for maximum air and water tightness
- Long lasting effect over several days
- Available in other larger convenient format.
- **Recyclable cap and bottle**

APPLICATION

To be used in aircraft cabins, galleys and toilets, Odour Eliminator eliminates all sources of bad odours including smoking, cooking, waste bins & urine. Odour Eliminator is also effective with the odour caused by vomiting. It effectively eradicates odours in cargo holds with the transport of animals and foodstuff.

DIRECTIONS FOR USE

Directly spray onto areas that are affected by bad odours.
Allow for several seconds for the product to act.
