

TECHNICAL DATA SHEET

ALIZÉ™ 2-in-1 POD Foaming Hand Soap

Dermatologically Tested, Soft and Safe Foaming Hand Soap with Air Freshener Capsule System.

DESCRIPTION

ALIZÉ™ is a latest-generation foaming hand wash soap, specifically formulated focusing on key safety and environmental aspects: A formula free from molecules and extracts whose toxicity, allergenicity, carcinogenic and endocrine-disruption effects are now suspected or recognized, and free from those which are non-biodegradable or with overly slow biodegradability.

ALIZÉ™ is therefore a dermatologically tested soap which is 100% biodegradable. ALIZÉ™ Foaming Hand Soap is formulated to carefully cleanse the skin, without dehydrating it, leaving hands feeling soft and smooth, with a light luxurious green tea scent.

ALIZÉ™ 2-in-1 POD bottle is designed to fit on an exclusive system of cradle equipped with a peel away Air Freshener POD. The Air Freshener POD allows for 2 weeks of air freshening. Air freshener POD is sold by cartons of 10 units. The ALIZÉ™ POD bottle can be changed independently, when empty.

FEATURES

- Dermatologically tested, kind to sensitive skin.
- Foaming hand soap, uses less rinsing water in aircraft lavatories.
- Fragrance POD for optimum long lasting air freshness.
- Free from the following:

Ethanolamine compounds	Parabens
Dibutyl phthalate (DBP)	Triclosan
Butylated HydroxyAnisole (BHA)	Siloxanes
Butylated HydroxyToluene (BHT)	EDTA
Polyethylene Glycol (PEG)	Formaldehyde
Sodium Laureth Sulfate (SLS) / Sodium Lauryl Ether Sulphate (SLES)	
Methylisothiazolinone (MIT) / Methylchloroisothiazolinone (MCIT)	
- Includes plant derived ingredients. No palm oil.
- Biodegradable Formulation.
- PET bottle, available in RPET 100% post-consumer material.
- Calculated Carbon Footprint.

APPLICATION

ALIZÉ™ 2-in-1 POD Foaming Hand Soap screw bottle is designed to be inserted into a specific POD holder. The system is then fitted on a screw tilted holder next to the basin inside aircraft lavatories.

TECHNICAL DATA SHEET

DIRECTIONS FOR USE

Soap: To use apply evenly over your hands, moisten with water, lather, and rinse well.

Air Freshener: Peel away foil seal and place in cradle underneath soap bottle for fragrance diffusion.
