

TECHNICAL DATA SHEET

GOLDSAFE

Safe Cleaner for Gold Plated & Metal Surfaces

DESCRIPTION

GoldSafe is an aqueous, non-toxic formula designed to bring out the true beauty and lustre of gold without it in any way eroding or damaging the gold plating. When gold-plated items are cleaned with GoldSafe it leaves a perfectly clean bright lustre of shine, without any traces of any residue.

FEATURES & BENEFITS

- Cleaner for gold plated and metal surfaces
- Non-toxic and non-flammable formulation making it safe for the crew.
- Water based and biodegradable pH balanced formula
- Removes dust, dirt, grime and fingerprints easily
- Enhances gold plated items in the aircraft cabin

APPLICATION

Specially designed for all gold-plated items on board the aircrafts, such as doorknobs, taps, seat arm rests etc.

DIRECTIONS FOR USE

Lightly spray the item to be cleaned with GoldSafe. Then wipe the item with a soft velvet like cloth to achieve a bright clean finish.
