

TECHNICAL DATA SHEET

HYGIENE KIT

Aircraft Inflight Hygiene Kit

DESCRIPTION

Hygiene Kits are versatile aircraft inflight cleaning packages, which readily support the inflight cleaning procedures of airline cabin crew. The kit consists of effective disinfectant cleaner (Ki-ose®), disposable wipes and gloves. The Hygiene Kit is purposely designed for single use only and can be disposed of in normal waste outlets after use. Ki-ose® is effective as an aircraft approved surface disinfectant cleaner for hand basins toilets, cupboards, passenger trays and floors ; its gentle fragrance also counteracts and neutralises an unpleasant odours from the toilet and cabin area.
