

TECHNICAL DATA SHEET

LAV'ODOR ELIMINATOR

Toilet Flushing Deodoriser Fluid

DESCRIPTION

Lav'Odor Eliminator is a ready to use liquid for routine turn-around aircraft toilet maintenance which neutralises and eliminates unpleasant smells effectively. Poured in the toilet, it stops odours caused by bacteria, mould, or other organic causes. Gently perfumed, it leaves a pleasant, non-obtrusive odour.

FEATURES & BENEFITS

- Neutralises and eliminates bad odours in aircraft toilets.
- Suitable for both recycled and vacuum flush systems.
- 100mL standard bottle sufficient for one toilet treatment.
- Compatible with 'blue' deodorant and treatment products.
- **Recyclable packaging**

APPLICATION

Neutralises and removes backflow odours from retention tanks. It is used for water recycling or vacuum toilets. Compatible with the "blue" water treatment products such as Bioclean 360 and Blue Lagoon Water, while still increasing their effectiveness.

Leaves the toilets and the cabin with a pleasant unscented environment and atmosphere, for the passenger and crew comfort.

DIRECTIONS FOR USE

- Open the ready-to-use 100ml bottle and pour the contents into the toilet bowl.
- Flush and allow the product to act.

PHYSICAL PROPERTIES

Appearance: Colourless Liquid.

Odour: Slightly perfumed.

Packaging: 100mL transparent PET flip-top bottle.

Shelf life: 3 years.
